Lisa,

Thank you for everything you have done to support the Stingrays organization. We appreciate the assistance over the last several years with hotel accommodations for our softball teams. Regardless of the situation you have been able to find a hotel that meets the team's needs. Especially on the short notice tournaments you have found a hotel with space for the entire team. Your professionalism and timely contact is to be commended. It's been a pleasure working with you and we look forward to continuing with you in the future.

Thanks,

We've been working with Lisa Baxter since 2013, and in that time she has become an integral part of our team. Our events are successful thanks in large part to Lisa's hard work. Lisa's contributions are so much more than just finding us the perfect venue. She's a sounding board, an advocate and a friend. We couldn't do what we do without her - nor would we want to!

Dear Lisa,

We are very thankful and truly appreciative for your assistance in locating a venue for the 2017 Air-to-Air International Users' Review. This was our 21<sup>st</sup> anniversary and it was by far the biggest event we have hosted--269 people from 30 countries! If you remember, we sited several cities before making a decision. As soon as we thought we had everything nailed down in Miami, we found out we needed to merge with another group and Miami was not going to fit. You were so receptive to our numerous requests and changes and you handled everything with ease. You quickly located the Intercontinental Hotel in Addison, TX (Dallas County) and it turned out to be the perfect setting for our group. We could not have completed this huge task without you!

Once again, thank you!! We look forward to planning our next event with you and HelmsBriscoe.

Sincerely,
