Caren Camp was fantastic in helping to book and rebook our National Teacher Institute event. She was invaluable when we had to change the dates due to COVID. Without her, the venue would have taken advantage of our organization.

As an organizer, I sleep better at night knowing that the HelmsBriscoe team is there to support me. There's no better organization, from dealing with contracts to finding the right venue.

Best regards,

Caren Camp recently accompanied our events team in preparation of an upcoming event. Her presence was invaluable. Caren's vast experience and insight helped tremendously when deciding on the best hotel for our group. Her on-site questions and assessments contributed during the decision-making process. We eventually went on to sign a fair contract, which resulted in a successful event. With Caren, we know we're ALWAYS well taken care of and we are grateful for the relationship we have with her.

Sincerely,

Bonnie Repasi

Caren Camp is a wonderful liaison between the hotel and the Civil War Trust. Without her knowledge, confidence and personal assistance, I know our experience wouldn't be as pleasant. She is a wonderful partner for us, and we appreciate all of her help! Working with Caren at Helms Briscoe is absolutely a great experience. It's comforting to know that IF there were any problems before, during or after the event that Caren would intervene and take care of us.

Top qualities: Great Results, Personable, High Integrity

“Caren Camp at HelmsBriscoe has helped me greatly. She’s made my job so much easier. Caren is a true professional, and I am always 100% satisfied with her services. Caren assists me with selecting venues for large programs. What may take me a few weeks to research—she can offer in a fraction of the time. She even arranges my site visits and guides me through the contract negotiations. By partnering with Caren, I can rely on her, and she knows exactly what we are looking for in a property. Therefore I can focus on my other responsibilities. Caren is extremely thorough and customer focused. I’m pleased every time!”

Ann has hired Caren as a Site Section Specialist since 2008. *July 26, 2011*
