February 5, 2012

I am writing this letter of recommendation for Ms. Jessica S. Cunningham, Manager, Global Accounts, HelmsBriscoe.

I have known Ms. Cunningham for the past four years and during that time I have worked closely with her on planning the Lowe Syndrome Association (LSA) biennial board meetings and International Conferences on Lowe Syndrome. I have been fortunate to work closely with her and have seen firsthand her professional skills and abilities and I am honored to write this letter of recommendation on her behalf.

During the past four years, Ms. Cunningham has demonstrated her resourcefulness by finding appropriate hotel and meeting accommodations to fit the needs of our member families and their children with and without disabilities along with our medical professionals. Ms. Cunningham is a take charge manager who utilized all resources at her disposal and it is because of her negotiation skills, the LSA a small non-profit organization, has been able to secure conference venues with large chain hotels.

In addition, Ms. Cunningham's time management skills and work ethics are among the best. I am fortunate to be working closely with her on behalf of the LSA board and its members and anticipate utilizing Ms. Cunningham, HelmsBriscoe for all future conference and meeting planning needs.

In closing, it is with honor that I enthusiastically recommend Ms. Cunningham and HelmsBriscoe to any size organization, company or corporation. You will be glad you did.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debbie Jacobs".
