To Whom It May Concern,

We are planning our next conference with HelmsBriscoe already. Very impressed with Joni Adams! She takes our list of criteria/needs and provides us with numerous locations to choose from. She does a great job supplying us with all the information needed. She is quick to respond to any questions and wants to ensure we are taken care of, not taken advantage of. She is the reason we come back to HelmsBriscoe! We can't thank her enough.

Sincerely,

Joni Adams of HelmsBriscoe is everyone's best friend including conventioners, hotel representatives and the local Convention and Visitors Bureau officials. When Joni calls, individuals from these groups automatically become team players and the convention manager becomes the hero. Every convention managed under my influence will work with Joni Adams and HelmsBriscoe or I'm not involved in a leadership role.
