Testimonial:

Louise has made a number of bookings for me recently and yet again everything went without a hitch. My exact requirements were met and the venue she sourced was perfect for our organisation's needs. Louise saved me hours of research and headaches and kept in constant communication so I was informed throughout the process. Highly recommended!

HelmsBriscoe Review

Property: Shire - The Millstone Hotel - Blackburn

Property Review: We had a wonderful stay at this lovely B&B. It was clean, friendly, cosy, warm, and the service was excellent. The food was also excellent if slightly expensive (for dinner!). However, the breakfast was really delicious and we had some lovely evenings in the bar. All the staff were friendly, helpful, and most went above and beyond to help with any inquiries. 10/10 stay, would come back again in a heartbeat.

HB Testimonial: Working with HelmsBriscoe was easy, helpful, and saved us hours of time not to mention stress and money! Our associate was so easy to work with; she worked really hard, and quickly, to get us a fantastic deal on a lovely B&B, and gave us plenty of personalised options to choose from. The service felt very personal and we never felt pressured into choosing an option that we didn't want or couldn't afford. Truly perfect service!

Yours sincerely,
