Dear Rosa,

You out-did yourself this year—our forum was a huge success! The Crowne Plaza Hampton Marina couldn't have been a more perfect find. Within walking distance of our exhibition, and with a beautiful view of the marina, it was just what we needed to make our week meaningful and inviting.

I can't tell you how pleased I am to be able to work with you each year, finding the best hotels for my group. You have proven to be an integral part of our planning process, and a wonderful person to work with.

Here is a copy of our 2017 catalog. I hope you enjoy the art!

And I've also included the signed contract for the 2018 conference at The Saguaro in Palm Springs. We'll invite you to the '70s themed pool party!

Have a great summer!

Helms Briscoe is an exceptional company that provides professional guidance to ensure that your event is correctly put together. Their knowledge of what to ask on behalf of the client is very reassuring that you will receive the best needed for a successful event.

I would never do this without the help of HB.

Rosa Vega, works for no-charge! She did a really good job finding us hotels for next year and I plan on using her from now on to locate hotels for CIR's panel meetings. She is very professional and takes the edge off of dealing with the hotels directly. She is the go to person for all your needs and concerns. I highly recommend use her (company) to find hotels for annual meetings and any other functions that requires hotel space. She was great!

Hi Rosa,

Our hotel is a big hit! You are a gem among gems! We want you to help us for 2015 and beyond!

Thank you so much for all the amazing work you did in finding this hotel for us. The staff couldn't have been more helpful and accommodating. Everyone attending the forum for the week told me how this was the best one ever, and I must give credit where credit is due—to you. By you finding the perfect location, it set the tone for a wonderful week filled with great workshops, delicious dinners, and fabulous events.

I am so looking forward to working with you for each and every forum we schedule in the future. Have a great week and I'll be in touch!

**HB Testimonial:**

I have been doing this hotel comparison thing for 15 years, and every year it has been a chore. For the last two years we have slowly been adding HelmsBriscoe to the mix, first in Chicago, this year we added San Francisco, and for 2015, Rosa will be helping with New York as well.

She has been a life saver. Not only does she know what to ask for, and how to get good value for our group, she also knows what is important to me. She is very helpful, knowledgeable about the industry, and a delight to work with.
