RE: Tammi Krone

Dear Sir/Madam:

Tammi Krone has assisted my company in planning our annual meeting for more than a decade. This meeting occurs internationally, and Tammi has been instrumental in locating spots throughout the Caribbean and Mexico. Her assistance in site selection, contract management, location services and all aspects of our meeting has been invaluable.

Each year I can count on Tammi to locate appropriate facilities which match our groups size, desires and interests. Each year new options are presented and favorites from our past meetings are evaluated. Each year contract prices are quickly reviewed and compared to past offerings and current proposals from resorts. Most importantly I get this each and every year without fail and without even needing to ask.

In short, I rely on Tammi to turn a difficult and time-consuming annual task into less of an annual challenge. Her willingness and ability to jump into any area where I need assistance with my meeting is amazing. I would recommend Tammi to anyone, and for that matter everyone, who needs to plan a meeting, large or small.

Sincerely,
